---

## Why do we need a Centre of Excellence?

- Challenges from Central Government
- Challenges from European Legislation
- Challenges from Funding Providers
- Wasteful Practices
- Lack of Awareness and Complacency
- Poorly shared information in Healthcare Sector
- 'Ricebowling'

2

---

---

---

---

---

---

---

---

## What Can we Do?

- Share experiences
- Work Smarter
- Incorporate Technology
- Take Control
- 'Connect' systems
- Staged Business Plans
- Smart Reporting
- Integrate Energy and Space Data

# Examples of Smart 'Stuff'

- Electricity Profile and Consumption
- Utility Consumption Tracking
- Space and Energy Usage Combined
